

GRANEX

EX STOCK

Granex is Rimex's standard Bead Blasted finish.

Granex is produced by blasting a stainless steel sheet with silicon beads to achieve a matt silver effect. We offer this unique finish in three variations - fine, coarse and medium. We stock medium, but can import the other variations from our UK parent company.

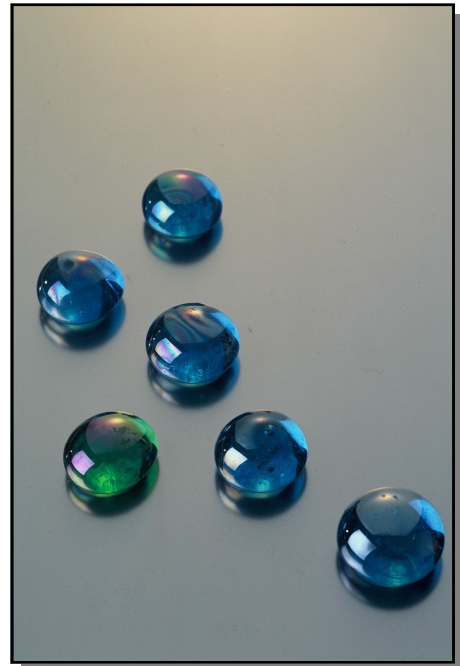

Sheet size:

2500 x 1250 x 0.8mm

Lead Time: Approx. 2 - 3 days ex works (subject to material availability)

N.B. Other sheet sizes, thicknesses and colours* available on request from our UK parent company (lead time is approx. 12 - 14 weeks).

*See Coloured Mirrors and Satins data sheet for colour range and coloured sheet sizes.
