HOW RIMEX CAN HELP YOU

- **Advisory Service**
  As a support for our product range we offer a free advisory service. We can help you save valuable time on research and help ensure what you design is achieved.

- **Material Reservation**
  To avoid the frustrations of material not being available at time of order, Rimex has a reservation system, whereby specified finishes can be put aside for specific jobs as requested. To reserve material, please contact our sales team.

- **Sample Support**
  From the following patterns pages, select finish/es of interest, contact us on (02) 4340 5599 or email your selections to marketing@rimexmetals.com.au and we can supply you and/or your client with the requested samples for final selection.
